Procurement Policy

PTT Global Chemical Public Company Limited (PTTGC) intends to be a Leading Chemical Company for Better Living. Procurement process and supplier relationship management are one important part for sustainable supply chain management. To achieve Corporate vision and work efficiently, procurement policy is announced with the following principles:

1. Implement procurement processes and supplier relationship management that comply with laws, Company's Policy, Regulations, Rules, and other related standards.
2. Maintain sustainable procurement by ensuring the compliance and application of Business Ethics, Occupational Health, Safety, Environmental, Social and Corporate Governance (ESG) along with Supplier Code of Conduct (SCOC), local community support and Green procurement activities.
3. Develop and strengthen relationship with suppliers and contractors who demonstrated commitment in adhering to our core value.
4. Conduct procurement processes transparently, treat suppliers equally and non-conflict of interest by enforcing the anti-corruption and no gift policy.
5. Support procurement collaboration among companies under PTT group to maximize group benefit.
6. Assess and manage procurement supply risk including cost optimization and deliverables to ensure business continuity.

All management levels and procurement employees of PTTGC are accountable to implement suitably and widely communicate PTTGC's Procurement policy throughout the organization.

This policy will be effective from 01/01/2018
